

ACCOMMODATION SUMMARY

Below is a summary of accommodation configurations at each of the Luxury Lodges of Australia. Each lodge is different, not just by virtue of their remoteness, their special location and the small number of guests they accommodate at any one time. Many of the lodges offer a rate that includes accommodation, food and beverage and importantly, signature experiences.

Policies and inclusions are appropriate to each lodge. Click here to view [child policies](#) and to see [what's included](#) in the rate at each lodge. **A 'swag' is a very Australian invention - a waterproof canvas sleeping compartment with a foam mattress and can comfortably be slept in with the addition of a pillow and sleeping bag.
